<Comment on monthly results for October>

For October, net sales were 126.9% compared to the same month of the previous year.

By segment, the “SEKAIKAN Business” recorded 130.4% year-on-year, due to strong sales of crane game prizes in Japan and merchandise overseas.

The “GIRLS Trend Business” remained broadly in line with the same month of the previous year, recording 97.5% year-on-year.

The “FURYU New Business” recorded 365.3% year-on-year, driven by the release of an original console game title.

Regarding key performance indicators (KPIs), total plays were 100.0%, and the number of paid PICTLINK members at month-end was 92.7% compared to the previous year.

We will continue our efforts to improve business performance going forward.

Notes:

1. For the “SEKAIKAN Business” and “FURYU New Business” reporting segments, monthly performance can fluctuate significantly due to the timing of product releases and variations in sales by title.
2. “Total number of plays” is a key metric linked to “Photo sticker sales” and “Directly managed shops revenue” within the Photo Sticker Machine Business.
3. “Number of PICTLINK end-of-month paid members” is a key metric linked to “PICTLINK subscription revenue” within the PICTLINK Business.

*The animation business within the Furyu New Business segment has been excluded from the scope of the monthly results in this report from July 2025 onward, following its conversion into a subsidiary in June 2025.

The “Notice Regarding Preliminary Monthly Results for November 2026” is scheduled for disclosure on December 17, 2026.
