Linical Co., Ltd. announces Linical China Co., Ltd. establishment of Beijing office in People's Republic of China

Linical Co., Ltd. (hereinafter referred to as "Linical") hereby announces that Linical China Co., Ltd. has completed procedures to establish an office in Beijing, People's Republic of China on 12 February as described below;

1. Purpose of the establishment

The Linical group is advancing its global strategy by expanding its network and business overseas in the United States, Europe, and Asia in order to deliver a one-stop comprehensive service to our clients around the world.

In order to respond to the increasing need for clinical trials in China and to enhance client satisfaction in speed, quality and convenience, the Beijing office has been established.

Demand for clinical trials in China is expected to continue to increase. Linical is therefore expanding coverage to a wider range of business territories in China. The optimal organizational structure in China will be examined in the medium to long term.
