### Announcement of beginning official operation of new subsidiary company "NEWSCON"

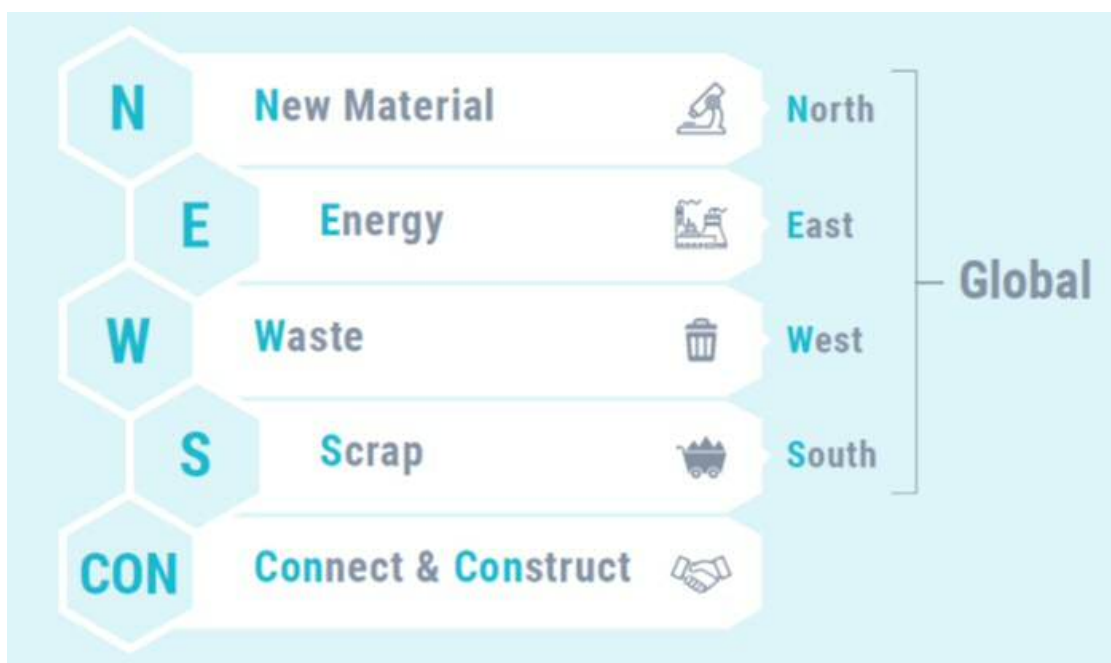

We would like to take this opportunity to officially announce that our group's main company Econecol Inc. will transfer the international trading division (Global Resources Circulation Business) to our consolidated subsidiary company NEWSCON Inc. which was established on 7<sup>th</sup> April, 2020 and begins operation from 1<sup>st</sup> July, 2020.

#### ■ Reason behind establishing NEWSCON

Based on a 70-year history in the recycling industry, that to this day continues to cultivate "on site knowhow", "domestic and international networking" as well the "challenger spirit", our aim is to expand the international business of the entire Envipro group. Constantly being in touch with the market and remaining an Indispensable partner for our customers, our aim is to serve as a bridge to creating a global society.

The concept behind the company name "NEWSCON" is "the creation of new business on a global scale". While keeping faithful to our roots and following our founder's corporate philosophy, we aim to generate value through connecting the world. We look forward to continuing working with, and the future support of our customers.
