## ***Announcement of release of new product “Sumaho terminal”***

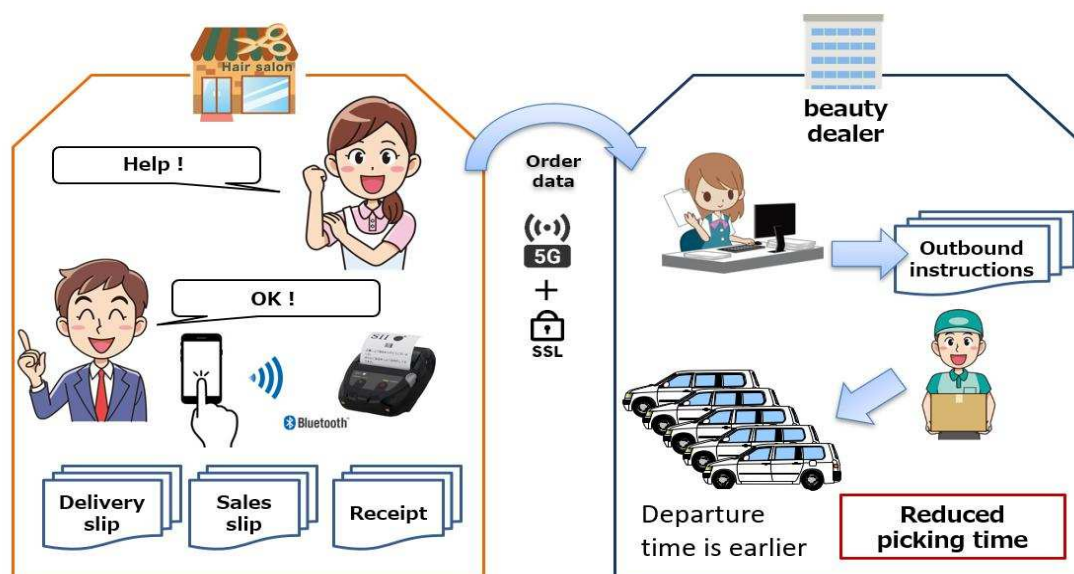

***-Support for DX promotion in the hairdressing industry-***

SCAT Inc. a leading company in promoting DX in the beauty salon industry, as part of our support for promoting DX in the hairdressing and beauty industry, we will be launching a new “Sumaho Terminal” from June 1, 2024, which will improve the efficiency of logistics operations for beauty dealers and cover the industry's handy terminal demand.

### **■ What is the new product “Sumaho terminal”?**

"Sumaho terminal" is the most powerful sales tool that works with "i-SCAP/EX", a sales management system for the hairdressing industry provided by SCAT. Generally, handheld terminals used for inventory work etc. are mainly equipped with limited functions. However, this single "Sumaho terminal" can serve multiple roles.

《Everything from ordering to payment collection can be completed with just a smartphone.》

## Advantages of introduction.

1. You can check the daily performance of salespeople on the dashboard, even when they are on a business trip or wherever they are.

Create a dashboard of sales and collection budget progress and year-on-year comparisons.

Increased motivation of salespeople.

2. You can also check your transaction history on the spot.

The screenshot shows a mobile app interface with a top navigation bar. Below it, there is a list of transactions. Each entry includes a date, a description, and a total amount. For example, '2023年03月22日(水)の売上' (Sales on March 22, 2023) includes details like '販売品名: 7076', '販売数量: 2件', '売上金額: 1,320 円', and '取引区分: (1)売上'.

Transaction history is also perfect !

You can immediately see how much it sold for last time.

3. Easy operation for barcode scanning.

When entering orders and sales,

One-shot accounting by barcode scanning!

4. You can instantly print and output various forms such as receipts and receipts using a mobile printer..

■ **Sales start. : Sales start from *June 1, 2024***

■ **SCAT's DX strategy.**

SCAT provides the systems and content necessary for the hairdressing industry. By using the POS system, smartphone apps, and content services together, you can attract new salon customers and repeat customers. By transforming our sales activities and providing optimal products and services that meet customer needs, we aim to popularize and promote DX in our company and the beauty industry.
