

**Shibaura Receives “2024 Excellent Production Support  
in Advanced Packaging” from TSMC**

The Shibaura Mechatronics Group has been honored with “2024 Excellent Production Support in Advanced Packaging” from Taiwan Semiconductor Manufacturing Company Limited (Headquarters: Hsinchu, Taiwan, hereinafter referred to as TSMC) on December 2, 2024.

The Excellent Production Support in Advanced Packaging award is presented to suppliers who have demonstrated outstanding performance in collaboration with TSMC in advanced packaging and have contributed to exceptional production support.

Our group has received this award following last year's “2023 Production Support Award”.

As a corporate group that supports manufacturing, the Shibaura Mechatronics Group will continue to be an indispensable partner for our customers, working with them to consider and understand their needs, and providing products and services that fully satisfy them.

*Smart Solutions & Services for Your Manufacturing*

The Shibaura Mechatronics Group contributes to the manufacturing and value creation of customers through the Three S's of Smart, Solutions, and Services and supports the realization of a prosperous society.
