*Tokyo, Japan – February 28, 2025* – BEENOS Inc. (hereinafter referred to as the “Company”) has announced that, according to LY Corporation (hereinafter referred to as the “Tender Offeror”), under the Tender Offer Agreement concluded between the Company and the Tender Offeror on December 19, 2024, the Tender Offer for the Company’s common shares and share options of the Company (hereinafter referred to as the “Tender Offer”) is expected to be promptly initiated if the preconditions—such as completion of procedures and responses under domestic and international competition laws—are met or waived by the Tender Offeror, and that the Tender Offeror aims to commence the Tender Offer by the end of February 2025 based on consultations with domestic and international law firms concerning these procedures, in the Company’s press release dated December 19, 2024, titled “Notice regarding Expression of Opinion in Support of the Planned Commencement of the Tender Offer for the Company Share Certificates by LY Corporation and Recommendation to Tender Shares.”

The Tender Offeror is proceeding with the necessary procedures and responses based on competition laws and other regulations in Japan and Taiwan with respect to implementation of the Tender Offer and such procedures and responses under Japanese competition laws have been completed as of February 17, 2025. The Tender Offeror submitted a prior notification to the Taiwan Fair Trade Commission regarding the acquisition of the Company’s shares through the Tender Offer on February 7, 2025 (local time), and the prior notification was accepted on the same day. Currently, based on the opinions of local law firms and the practices of the Taiwanese authorities, the Tender Offeror expects that the clearance under Taiwanese competition laws and regulations will be completed by the end of March 2025, and to commence the Tender Offer by that time.

Furthermore, with regard to the preconditions for the Tender Offer other than those with respect to procedures and responses under Taiwanese competition laws, etc., the Tender Offeror is scheduled to confirm whether or not the preconditions have been met based on a report on its awareness from the Company, which the Tender Offeror expects to receive by commencement of the Tender Offer. As stated above, the Tender Offeror expects to commence the Tender Offer by the end of March 2025; however, if it is unable to confirm whether or not the preconditions have been met by that time, or if it confirms that the preconditions have not been met, it will consider whether or not it waives the preconditions and the time for commencement of the Tender Offer, etc., based on the details of the preconditions. If the expected time for commencement of the Tender Offer changes, a notification will be provided promptly.

The Tender Offeror plans to provide a notification promptly prior to commencement of the Tender Offer, if the Tender Offer is to be initiated.

Finally, regarding “Notice regarding Expression of Opinion in Support of the Planned Commencement of the Tender Offer for the Company Share Certificates by LY Corporation and Recommendation to Tender Shares,” which was announced on December 19, 2024, certain corrections to the content have been identified.
