(Amendment) Notice Regarding Amendments to the “Notice Regarding Commencement of Tender Offer for SHIBAURA ELECTRONICS CO., LTD. (Securities Code: 6957)” and the Public Notice of Commencement of Tender Offer due to Submission of the Amendment to Tender Offer Registration Statement, and Changes to the Terms and Conditions of Tender Offer

YAGEO Corporation (“YAGEO”), through YAGEO Electronics Japan LLC, an intermediate holding company established by YAGEO on February 6 (the “Tender Offeror”), has commenced the tender offer (the “Tender Offer”) under the Financial Instruments and Exchange Act (Act No. 25 of 1948, as amended; the “Act”) for the common shares (the “Target Company’s Stock”) of SHIBAURA ELECTRONICS CO., LTD. (Securities Code: 6957, listed on the Standard Market of Tokyo Stock Exchange, Inc.; the “Target Company”) from May 9, 2025.

The Tender Offeror has filed an Amendment to Tender Offer Registration Statement pursuant to Article 27-8, Paragraph 2 of the Act in order to amend part of the descriptions in the Tender Offer Registration Statement submitted on May 9, 2025 (including matters amended by the Amendment to Tender Offer Registration Statement submitted on June 2, 2025) and the Public Notice of Commencement of Tender Offer dated May 9, 2025 (including matters amended by the Amendment to Tender Offer Registration Statement submitted on June 2, 2025, and hereinafter referred to as the “Public Notice of Commencement of Tender Offer”) attached thereto which became necessary as a result of the Target Company having filed an Annual Securities Report for the 67th Fiscal Year (from April 1, 2024 to March 31, 2025) with the Director General of the Kanto Local Finance Bureau on June 17, 2025 and the Tender Offeror submitting the Amendment to Tender Offer Registration Statement for the Tender Offer Registration Statement to the Director-General of the Kanto Local Finance Bureau, which is subsequently accompanied by the extension of the Tender Offer Period to July 1, 2025, which is the date falling 10 Business Days from the submission date of this Statement (June 17, 2025), thereby extending the overall Tender Offer Period to 38 Business Days.

As a result of the above, the Tender Offeror hereby announces that the “Notice Regarding Commencement of Tender Offer for SHIBAURA ELECTRONICS CO., LTD. (Securities Code: 6957)” dated May 8, 2025 (including matters amended and revised by the “(Amendment) Notice Regarding Amendments to the “Notice Regarding Commencement of Tender Offer for SHIBAURA ELECTRONICS CO., LTD. (Securities Code: 6957)” and the Public Notice of Commencement of Tender Offer due to Submission of the Amendment to Tender Offer Registration Statement” disclosed on June 2, 2025; hereinafter referred to as the “Tender Offeror Press Release Dated May 8, 2025”) and the Public Notice of Commencement of Tender Offer are amended as below.

I. Amendment to the Tender Offeror Press Release Dated May 8, 2025

The Tender Offeror Press Release Dated May 8, 2025 is amended as below. Amended portions are underlined.

1. Purpose, etc. of the Tender Offer
- (1) Outline of the Tender Offer
(Before Amendment)

(Omitted)

According to the MINEBEA MITSUMI TOB Commencement Announcement, MINEBEA MITSUMI announced that it would commence a tender offer from May 2, 2025 at an increased purchase price of 5,500 yen per share of the Target Company’s Stock, and according to the Target Company’s Opinion Announcement dated on May 1, 2025, the board of the Target Company has resolved to express its support for the MINEBEA MITSUMI Tender Offer and recommend that its

shareholders tender their shares in the MINEBEA MITSUMI Tender Offer and also confirmed that there has been no change from its previous opinion that it opposes to the Tender Offer. Considering the above, market conditions and other factors, the Tender Offeror has decided on May 8 to change the Tender Offer Price from 5,400 yen to 6,200 yen.

(Omitted)

- (i) As stated in “(2) Legal Basis” in “6. Permits, etc. for Acquisition of Shares” below, the Tender Offeror has determined that procedures under foreign investment regulations in Japan and outward investment regulations in Taiwan, as well as procedures under competition acts in Germany and Austria, will be required to execute the Transaction.

As stated in “(2) Legal Basis” in “6. Permits, etc. for Acquisition of Shares” below, with respect to the procedures and measures under the Foreign Exchange and Foreign Trade Act of Japan, the Tender Offeror has filed a notification to the Minister of Finance and the competent minister for the business of the Target Company through the Bank of Japan on February 6, 2025, pursuant to Article 27, Paragraph 1 of the Foreign Exchange and Foreign Trade Act of Japan, and receipt thereof was acknowledged for the same day. However, following the acknowledgement of the notification, on February 28, 2025, the Ministry of Economy, Trade and Industry, which has jurisdiction over the business of the Target Company, contacted the Tender Offeror to withdraw the notification once in order to continue the review due to the difficulty in completing the review within the statutory waiting period. As such, the Tender Offeror withdrew the notification on March 4, 2025. As of the submission date of this Statement, the notification had not been refiled. However, as the consultation with the Ministry of Economy, Trade and Industry has been progressing steadily, the Tender Offeror filed a notification again to the Minister of Finance and the competent minister for the business of the Target Company through the Bank of Japan on June 2, 2025, pursuant to Article 27, Paragraph 1 of the Foreign Exchange and Foreign Trade Act, and receipt thereof was acknowledged for the same day. Based on advice from Japanese legal counsel, the Tender Offeror expects that it will be able to obtain the necessary approval for the acquisition of the Target Company’s Stock through the Tender Offer by the Tender Offeror (the “Share Acquisition”) by the last day of the Tender Offer Period (including where it has been extended).

- (3) Measures to Ensure the Fairness of the Tender Offer Including Measures to Ensure the Fairness of the Tender Offer Price and to Avoid Conflicts of Interest
- (i) Securing Objectivity to Ensure the Fairness of the Tender Offer

(Before Amendment)

As the Tender Offeror has announced the scheduled commencement of the Tender Offer on February 5, 2025, and 61 Business Days have elapsed following such announcement before commencement of the Tender Offer, the Tender Offeror believes that an opportunity is secured for persons other than the Tender Offeror to purchase the Target Company's Stock. Moreover, the Tender Offeror has set the Tender Offer Period as 30 Business Days, despite the shortest period prescribed by laws and regulations being 20 Business Days. As such, by securing 91 Business Days, which exceeds the longest period of a tender offer prescribed by law of 60 Business Days, following the announcement of the Tender Offer to the end of the Tender Offer Period, the Tender Offeror believes that an opportunity is secured for the Target Company's shareholders to make an informed decision on whether to tender their shares in the Tender Offer. Furthermore, the Tender Offeror has concluded with the Target Company no agreements containing provisions regarding the protection of transactions that prohibits the Target Company from contacting persons proposing a competing purchase or any other agreements that limit the persons proposing the competing purchase from contacting the Target Company. As such, together with the setting of the Tender Offer Period above, by securing an opportunity for the competing purchase, the Tender Offeror has given consideration to ensuring the fairness of the Tender Offer.
