**Announcement of the launch of Daily disposable contact lenses**

**“1DAY Menicon DearTEAR” and “1DAY Menicon DearTEAR Toric” in Japan**

Menicon Co., Ltd. (hereinafter, “the Company”) announces that “1DAY Menicon DearTEAR” and “1DAY Menicon DearTEAR Toric (for astigmatism),” daily disposable contact lenses made of a silicone hydrogel material with high oxygen transmission, will be launched starting August 1, 2025.\* They will be available at facilities in Japan.

Since the Company simultaneously releases lenses for myopia, astigmatism, and hyperopia, the Company can support a wider range of customer vision needs with daily disposable contact lenses.

The Company will continue to propose a new vision of “Mirus” through the provision of products and services that meet the individual lifestyles and needs of customers.

\* They are OEM products.
