SBI VC Trade × Lib Work
Bitcoin Trading, Storage, and Management Partnership Launch

A graphic with a dark blue background featuring a network of white dots and lines. Overlaid on this are three white rectangular boxes containing the text "Bitcoin Trading, Storage, and Management Partnership Launch" in a bold, blue, sans-serif font, arranged in three lines.

KUMAMOTO, Japan, August 29, 2025— Lib Work Co., Ltd. (Headquarters: Yamaga, Kumamoto Prefecture, Japan; Representative Director & President: Chikara Seguchi) announces the launch of a partnership with SBI VC Trade Co., Ltd. (Headquarters: Minato-ku, Tokyo, Japan; Representative Director & President: Tomohiko Kondo) for Bitcoin trading, storage, and management. SBI VC Trade provides cryptocurrency exchange services and is a consolidated subsidiary of SBI Holdings, Inc. (Headquarters: Minato-ku, Tokyo, Japan; Chairman, President & Representative Director: Yoshitaka Kitao).

1. BACKGROUND

As part of our financial strategy, Lib Work has decided on a policy of continuous Bitcoin acquisition and medium-to-long-term holding. We are promoting a "digital asset strategy" that includes our 3D-printed housing NFT initiatives and support for global transactions through Bitcoin home payment options.

We have begun this partnership with SBI VC Trade for cryptocurrency trading, storage, management, and Web3-related business development to further stabilize our the trading, storage, and management of our Bitcoin, and to strengthen our international transactions, NFT business, and cryptocurrency payment capabilities using not only Bitcoin but also stablecoins and other digital assets.

2. REASONS FOR DECIDING TO WORK WITH SBI VC TRADE

- **High Reliability and Stability**

As a 100% subsidiary of SBI Holdings, Inc., listed on the TSE Prime Market, SBI VC Trade operates under domestic laws and regulations as a registered cryptocurrency exchange operator and Type I Financial Instruments Business Operator, enabling highly reliable and stable trading, storage, and management.

- **Advantages in Large-Volume Trading**

Beyond providing diverse purchasing methods, SBI VC Trade leverages the strength of having B2C2, a major global market maker based in the UK, within the SBI Group to offer OTC trading with special spreads.

• **Proven Track Record and Expertise in Finance and Technology**

Our decision to create this partnership was based on our high assessment of SBI Group's extensive knowledge and long, proven track record in the fields of finance and technology.

3. FUTURE OUTLOOK

Lib Work will continue the acquisition and medium/long-term holding of Bitcoin. Using this partnership as a starting point, we will begin new initiatives, including creating NFTs for our 3D-printed homes, incorporating NFTs into traditional housing, accepting Bitcoin and stablecoin for payments and international transactions, and expanding and developing on a global scale.

4. IMPACT ON BUSINESS PERFORMANCE

The impact on FY2026 (ending June) business forecasts is expected to be minimal. We will promptly announce any matters requiring disclosure as they arise.

■ **About Lib Work**

Under the slogan “Changing lifestyles, changing the world, creating the future,” Lib Work operates diversified businesses beyond residential construction to realize our mission of “creating innovation in housing through sustainability and technology.”

We employ targeted customer acquisition strategies in our digital marketing through specialized sites like “e-tochi.net,” a land listing website, and our “Lib Work ch” YouTube channel. We also operate subscription-based platforms for construction companies nationwide like My Home Robo (a system that proposes plans for new homes) and IP licensing of the “niko and ... EDIT HOUSE” house products co-developed with ALC/Adastria Lifestyle Creation. Additionally, we continue our work towards a sustainable future through the full-scale deployment of our sustainable 3D printed housing.

■ **About SBI VC Trade**

Under the slogan “SBI for cryptocurrency too,” SBI VC Trade leverages the strength of the SBI Group, Japan's largest internet-based general financial group, to provide full-tiered services for cryptocurrency trading. As a registered cryptocurrency exchange operator, Type I Financial Instruments Business Operator, and Electronic Payment Instrument Trading Business Operator, SBI VC Trade maintains high security standards while expanding beyond cryptocurrency trading to offer cryptocurrency management and corporate services. In addition to being the first company to trade the stablecoin USDC, SBI VC Trade continues to create innovative, customer-centric services and businesses.
