**Notice Regarding Determination of Effective Date of Subsidiary's Railway Fare Revision**

Seibu Holdings Inc. (the "Company") hereby announces that its consolidated subsidiary Seibu Railway Co., Ltd. ("Seibu Railway") will implement fare revisions on Saturday, March 14, 2026, following the approval obtained from the Minister of Land, Infrastructure, Transport and Tourism on Wednesday, July 23, 2025, to revise upper limits of railway passenger fares. This same date (Saturday, March 14, 2026) will also be the effective date for the establishment of the uniform child fare and the commencement of sale of the "Kodomo Zensen Teikiken (Child All-Line Commuter Pass)" (a child-exclusive PASMO unlimited SEIBU-line commuter pass).

Seibu Railway will continue to provide customers with quality and comfortable service, with "safety and security" as its foundation. Through initiatives such as the unification of child fares, it aims to bring joy to children and their families and realize railway corridors that people want to live in and want to visit.

The impact of this fare revision on the Company's financial results for the fiscal year ending March 2026 is expected to be minor.
