NCD Certified “B-” in CDP’s Climate Change Questionnaire

NCD Co., Ltd. (the “Company”) hereby announces that on December 10, 2025, it responded for the first time to the 2025 Climate Change survey (the CDP Climate Change Questionnaire) from the CDP, an international non-profit organization addressing global environmental issues, and received “B-” score.

CDP conducts sustainability assessments of companies and municipalities. Last year, approximately 22,700 companies around the world disclosed their environmental data through the CDP. CDP’s evaluation comprises an eight-tier scale (A, A-, B, B-, C, C-, D, D-) from the perspectives of disclosure completeness, risk management, target setting, and leadership.

The Company has established “Protection of the Global Environment” in its “NCD Group Code of Conduct” and has designated “Contributing to the Realization of Carbon Neutrality” as a materiality to be addressed. The Company will continue to strive to reduce the environmental impact of its business activities while contributing to global environmental conservation and the realization of a sustainable society through its business.
