Difference (B – A)	25,261	3,435	2,614	—
Difference (%)	46.6	35.1	36.3	—

2. Reasons for the differences

Consolidated financial results

The differences were attributable primarily to non-consolidated financial results.

Non-consolidated financial results

Compared with the financial results for the fiscal year ended March 31, 2025, ordinary income increased for the fiscal year ended March 31, 2026 due to rises in interest on loans (by 9,011 million yen year on year) and interest and dividends on securities (by 5,317 million yen year on year), as well as gain on sale of bonds (by 1,657 million yen year on year) and gain on sale of equity securities (by 8,275 million yen).
