Received “Top Partner PLATINUM” and “Women’s Empowerment Partner DIAMOND” Awards for experienced-hire recruitment from Deloitte Tohmatsu LLC in the consulting domain

Movin Strategic Career Co., Ltd. (Head Office: Minato-ku, Tokyo; President and Representative Director: Kimihiko Kamikawa) hereby announces that, in recognition of the Company’s track record in mid-career recruitment for the consulting sector, it has received the “Top Partner PLATINUM” and “Women’s Empowerment Partner DIAMOND” awards from Deloitte Tohmatsu LLC.

Deloitte Tohmatsu LLC is an entity within the Deloitte Tohmatsu Group responsible for a broad range of management support services. Leveraging the knowledge and expertise of Deloitte’s global network, Deloitte Tohmatsu LLC provides professional services aimed at strengthening the competitiveness of Japanese companies and helping resolve social issues.

For the period from June 2025 to May 2026, these awards covered mid-career recruitment for the former Deloitte Tohmatsu Consulting LLC (from December 2025 onward, the consulting business within Deloitte Tohmatsu LLC). Movin Strategic Career received the “Top Partner PLATINUM” award in recognition of its outstanding achievement in our recruitment support, having realized a very large number of successful hires. In addition, the Company received the “Women’s Empowerment Partner DIAMOND” award in recognition of its achievement in supporting the hiring of the largest number of female professionals.

We understand these awards to reflect the results of the deep knowledge of the consulting industry that we have cultivated over many years, our career support tailored to each individual candidate, and our in-depth understanding of companies’ recruitment challenges.

In particular, when supporting the careers of professional talent, we believe it is important to carefully understand each candidate’s experience, aspirations, life stage, and other circumstances, and to present the most appropriate options from the perspective of medium- to long-term career development. The Company is also committed to creating further opportunities for female professionals to thrive, and we view the receipt of the “Women’s Empowerment Partner DIAMOND” award as highly meaningful recognition of these efforts.

Since its founding, Movin Strategic Career has focused on supporting the careers of professional talent,

particularly in the consulting industry. Going forward, we will continue striving to further improve our services with the aim of creating truly valuable encounters for both companies and talent, and becoming a “lifelong career hub” that professional talent can rely on at every stage of their careers.
