# TV Tokyo Holdings FY 2026 Q1 Financial Summary

<Sales and Profits Decreased Due to Decline in Broadcasting, but Anime and Distribution Profits Increased>

- Consolidated net sales decreased 4.8% to 37.6 billion yen and consolidated operating income decreased 53.1% to 1.53 billion yen.
- “Terrestrial and BS broadcasting (consolidated)” saw a 7.3% decline in revenue. This was due to a reactionary drop following the significant revenue growth recorded by TV Tokyo in the previous year, as well as the impact of escalating tensions in the Middle East.
- Anime and distribution (consolidated) operating income increased 6.5%. In TV Tokyo's rights business, anime games and merchandising for overseas markets performed well. In the distribution business, sales of new dramas to distribution PFs expanded.

## Anime and Distribution Main Contents

### 【 Anime Business 】

Mainstream “NARUTO ” and“ BORUTO ” continued strong sales of smartphone games, commercialization and distribution overseas. Commercialization of “Yu-Gi-Oh! ” also contributed

### 【 Distribution Business 】

Sales of the new drama “Aku no Hana ” "Time Loop Detective" and other distribution PFs increased, as did sales of past titles such as“ Kodoku no Gourmet ”

< Accelerating the development of leading anime works >

- NARUTO is expanding its business for the 25 year anniversary of broadcasting in 27.
  - BLEACH and Black Clover will air new works in 26.

### Dividend policy

The Company recognizes shareholder returns as one of its important management issues and always works on stable and continuous dividend payments based on sharing the fruits of growth with stakeholders in a balanced manner. The Company aims for a dividend payout ratio of 35% on a consolidated basis and a total payout ratio of approximately 40%.

### Acquisition of treasury shares

Acquisition of treasury shares will be considered in accordance with laws and regulations specific to the broadcasting industry while taking into consideration tradable share ratio and other factors.

\*Total payout ratio = (total amount of dividends + total amount of treasury shares acquired) / profit attributable to owners of parent

# Refinement of Segment Classification Management (From FY27/3)

From the fiscal year ending March 31, 2027, we will revamp our management methods for segment information in conjunction with the introduction of DX in the accounting department.

This will enable each group company to grasp performance precisely across multiple segments, and we will transition to a system that allows for more detailed disclosure of the actual state of management. (Red lines indicate changes)
