4. Outlook

The Company plans to complete the acquisition of the shares tendered during the Initial Acceptance Period during the second quarter of the fiscal year ending March 2027, and AUSTRIACARD is expected to become the Company’s consolidated subsidiary. In addition, as the number of AUSTRIACARD shares tendered by the end of the Initial Acceptance Period exceeded the minimum acceptance threshold, an additional acceptance period of three months, from August 26, 2026, Vienna time to November 26, 2026, Vienna time, will be established in accordance with Austrian law in order to provide the remaining shareholders with an opportunity to sell their shares.

In addition, as a result of the Tender Offer, the percentage of voting rights in the Target held by the Company has reached 90.00%, which is the threshold required for a squeeze-out resolution under Austrian law. Subject to obtaining the FDI clearance, the Company plans to implement a squeeze-out following a resolution of the Target’s general meeting of shareholders and to acquire all of the remaining shares of the Target. The Target Shares are currently listed on the Vienna Stock Exchange and the Euronext Athens Exchange; however, if such procedure is implemented, the Target Shares will be delisted from the Vienna Stock Exchange and the Euronext Athens Exchange following the prescribed procedures in accordance with the delisting criteria of the respective exchanges.

The impact of the Tender Offer and the change in subsidiary on the Company's consolidated financial results for the fiscal year ending March 2027 is expected to be immaterial; however, if any matter requiring disclosure arises in the future, the Company will promptly make disclosure.
