Notice Concerning METI's Decision to Grant Subsidy to Daiseki Eco. Solution Co., Ltd., a Consolidated Subsidiary of the Company

Daiseki Co., Ltd. (the "Company") hereby announces that Daiseki Eco. Solution Co., Ltd., a consolidated subsidiary of the Company, has been selected under the 5th public call for applications for the "Large-Scale Growth Investment Subsidy for Labor-Saving Measures, etc., Aimed at Wage Increases at Mid-tier, Small and Medium-sized, and Startup Enterprises," a program sponsored by the Ministry of Economy, Trade and Industry (METI). As a result, it has been decided to grant the subsidy to Daiseki Eco. Solution Co., Ltd.

1. About Large-Scale Growth Investment Subsidy

This is a subsidy for the establishment of new bases such as factories, or for large-scale capital investment, which mid-tier, small and medium-sized, and startup enterprises undertake with the aim of achieving sustainable wage increases, by fundamentally improving labor productivity through labor-saving measures, etc. in response to the current labor shortage, and by expanding the scale of their business.

* For details on the "Large-Scale Growth Investment Subsidy for Labor-Saving Measures, etc., Aimed at Wage Increases at Mid-tier, Small and Medium-sized, and Startup Enterprises," please refer to the website of the Fund-Establishing Organization for the Mid-tier, Small and Medium-sized, and Startup Enterprises Growth Investment Subsidy (https://chukentou-seichotoushi-hojo.jp/; available in Japanese only).

2. Overview of the subsidized project

Project name:
Plastic Resource Recycling Project in Shizuoka City

Target wage increase rate:
Total wage payment per employee involved in the subsidized project: 10.4% increase

Investment scale:
¥9,945,403,990

Amount of subsidy granted:
¥2,918,105,795

* The amount of the subsidy may vary depending on the results of the review, etc. to be conducted after completion of the subsidized project.

3. Future outlook

(1) Impact on the Company’s financial result forecasts for the fiscal year ending February 2027

This matter will have no impact on the Company’s financial result forecasts for the fiscal year ending February 2027, announced on April 7, 2026.

(2) Future impact

The Company expects to record the subsidy as subsidy income under extraordinary income for the fiscal year ending February 2030. Meanwhile, the Company plans to apply advanced depreciation by reduction of book value of assets (direct reduction method) for tax purposes. Should any matter requiring disclosure arise in the future, the Company will promptly make an announcement.
