Notice Regarding Our Subsidiary (Tokyo Technical Instruments inc.) Exhibiting at "JIMTOF 2026"

Our subsidiary, Tokyo Technical Instruments inc, will be exhibiting at "JIMTOF 2026 (the 33rd Japan International Machine Tool Fair)," which will be held starting October 26, 2026.
Since its founding in 1972, Tokyo Technical Instruments inc. has cultivated measurement technologies that ensure gear quality. At the event, we will have Gear testing systems on display that visualize measurements down to the micrometer level, allowing you to see their measurement speed and accuracy firsthand. For details on our exhibition, please see Tokyo Technical Instruments inc.'s news release.
